

Scout Out History Registration Guide

CLINICS

- The fee for Scouts is \$6 each. One adult for every 8 Scouts is free; the fee for additional adults is \$3 each. (For example, if registering 18 Scouts, 2 adults are free.) If registering less than 8 Scouts for your group, one adult is free.
- Registration is taken only by mail, on a first-come, first-served basis, and limited to 40 Scouts per Clinic.
- Registration must be received *with* payment. An electronic or hard copy confirmation will be sent to you once your registration is processed.
- Registrations and additions will *absolutely not* be accepted after the Wednesday before the Clinic so that Ed Department staff have enough time to prepare activities and supplies for all Scouts registered.
- Refunds will *not* be given for individual Scouts or adults who are registered but do not attend. Instead, the Scout leader will be given the supplies so those Scouts may complete the activities at home.
- No siblings, please.

OPEN HOUSES

- The fee for Scouts is \$3 each. Parents and leaders are free.
- Please register by mail, e-mail, or phone by the Wednesday before the Open House.
- Include payment with registration form or pay at check-in on day of Open House. An electronic or hard copy confirmation will be sent to you once your registration is processed.
- Refunds will *not* be given for individual Scouts who pre-paid but do not attend. Instead, the Scout leader will be given the supplies so those Scouts may complete the activities at home.
- Siblings who wish to participate will be charged at same rate as Scouts.
