

Cub Scout Event Day at the Waukesha County Museum

Join us on **Saturday, March 3, 2012 from 9:30am - 3:30pm** for the **Cub Scout Event Day!** Cub Scouts of all levels can complete two programs in one day, and enjoy the unique resources and exhibits the museum has to offer. The Education Department staff will be facilitating the program and supplying all materials, so your group can simply focus on the fun! Scouts will be divided into groups by age/level and will rotate to participate in both programs.

World of Archaeology

Scouts will embark on an archaeology adventure as we sift through history to find treasures of all kinds! Get ready to navigate treasure maps, dig through sand, and piece together the mysteries from the past.

Program specially designed by the museum and special patches will be given to each scout.

Superheroes to the Rescue!

Tall tale figures were the superheroes of the 1800s. Scouts will discover the tales of several heroes while hearing the wild history of each figure. Then it's time to create your own tall tale, construct props and puppets, and perform the tale for all to see!

Requirements to be Completed: Webelo - Showman; Bear - Ach. 4 Tall Tales; Wolf - Ele. 2 Be An Actor; Tiger - Ele. 14, 15, 17, 19, 21
